NHMRC new grant program - Webinar

NHMRC CEO, Professor Anne Kelso, will present an update on the NHMRC’s new grant program via a webinar on Friday, 18 August 2017 between 1:00 - 2:00pm (AEST).

The webinar will be of interest to:

- Researchers who are currently funded by NHMRC
- Researchers who intend to seek NHMRC funding in the future
- Representatives of universities, hospitals and medical research institutes
- Peak health and medical research bodies
- Research administrators and managers

As spaces are limited, those interested in attending the live webinar are encouraged to Register as soon as possible.

The NHMRC’s future.nhmrc.gov.au website will be updated soon after the webinar with detailed information on the matters discussed.

Webinar recording

If you cannot attend the live webinar a recording will be published on the NHMRC website and sent to all those who register.

Please note that, while there is no limit on the number of people who can register for the webinar, there is a limit on the number of live attendees. People will be connected on a ‘first come, first served’ basis.

The NHMRC encourage booking a meeting room with others to limit the number of connections.

Q & A

The webinar technology allows attendees to ask questions in real time via a text-based system. Professor Kelso will set aside 15 minutes at the end of the webinar to address as many of these questions as possible.

All the questions asked, whether they are addressed in the webinar or not, will be recorded and added to the list of frequently asked questions on the NHMRC website located at https://www.nhmrc.gov.au/restructure/faq.

The NHMRC ask that you send your questions, comments and feedback to: grant.implementation@nhmrc.gov.au.
