Dual Degree Study Planner
Bachelor of Arts/
Bachelor of Social Science

Important Information

It is your responsibility to ensure that you complete all the requirements for each component of this dual program in order to graduate with both degrees. The following information is designed to help you plan your enrolment to meet this goal.

Selecting Plans in mySI-net

A plan is a prescribed combination of courses within a program being either a field of study, major, extended major, specialisation, minor or extended minor.

Ensure the plans for your program are correctly listed in mySI-net. If you require assistance selecting your plan(s), follow these instructions.

If you require assistance planning your program or have concerns about meeting program requirements, contact the HASS Faculty for advice: https://hass.uq.edu.au/contact

Exiting Early

Students exiting early with one component of a dual degree must complete the single degree requirements of that component. Students will then be required to follow the single degree rules to complete the remaining component from that dual degree.

Program Requirements

- 32 units from the BA section of the BA/BSocSc course list, comprising—
  - two BA majors; or
  - One extended major of 24 units plus a minor of 8 units (a minor consists of 8 units in total, chosen from one major list, with a maximum of 4 units at introductory level and must include one gateway course and one cornerstone course).
- 32 units from the BSocSc section of the BA/BSocSc course list, comprising —
  - 16 units for BSocSc core courses; and
  - 16 units for a BSocSc major.

Program Guidelines

Students who wish to go on exchange should start planning their program early, taking into account the fact that SOSC3201 (sem 1) and SOSC3202 (sem 2) must be taken on campus at UQ, in consecutive semesters. Students requiring assistance with planning for exchange should contact the Faculty of Humanities and Social Sciences or the School of Social Science.
