Recycle obsolete computers and other electronic equipment

- Email recycle@pf.uq.edu.au with a request to collect the items - advise quantity and location (Room No, Building)

- Property and Facilities staff will arrange to have the items collected from the UQ School, Centre or Administrative area’s nominated location and send it to a company that will recycle the raw material.

- It is the responsibility of Schools, Centres and Administrative areas to remove data from obsolete equipment that is to be disposed of. These items should also be delisted and taken off the asset register.

- Note: Please remove toner cartridges from printers prior to collection and recycle separately.
