2 Field of study:

A student must undertake the program in a major or a dual major.

3 Program requirements:

3.1 To complete the program, a student must complete 64 units from the BBiotech course list, comprising -

- (a) 44 units from Part A of the list; and
- (b) 4 units from Part A of the list or from the course list for another program offered by the university; and
- (c) 16 units from Part H of the list.

3.2 A student must gain 12 units for late year courses from part A.

3.3 A student must complete part A before enrolling in part H courses.

4 Maximum credit for other study:

Note see GAR 1.6 of the General Award Rules.

4.1 Up to 8 units may be granted towards the 12 units required in rule 3.2 on the basis of prior study.

4.2 The executive dean may grant up to 32 units from an award completed at the University or for any courses from elsewhere.

5 Special rules:

5.1 Bachelor of Science degree:

- (a) A student who —
 - (i) is enrolled in the Bachelor of Biotechnology program; and
 - (ii) withdraws from the program having completed the requirements for the bachelor of science degree, may be awarded that degree.

5.2 Supplementary assessment

In addition to GAR 1A.17, the associate dean (academic) may grant supplementary assessment in a single course in which the student gains a grade of 3 and where the student—

- (a) gains that grade in any semester of study; and
- (b) has not been granted supplementary assessment in any other course in that semester; and
- (c) has not previously been granted supplementary assessment under this rule; and
- (d) makes an application for supplementary assessment within 5 days of the release of results.

6 Honours:

Note see GAR 2.4 of the General Award Rules.

6.1 Entry:

To enrol for honours a student must —

- (a) complete part A; and
- (b) gain a GPA of 4.5 for 8 units of late year courses approved by the executive dean; and
- (c) be currently enrolled in the pass degree program; and
- (d) satisfy the executive dean and head of school that the student is qualified to undertake honours.

6.2 Program requirements:

An honours student must complete 16 units from Part H of the BBiotech course list.

6.3 Award of the pass degree:

An honours student who completes the pass degree program requirements and does not complete honours may be awarded the pass degree.

6.4 Part-time honours students:

An honours student may enrol part-time if the executive dean decides that the student has commitments which require part-time enrolment.

6.5 Class of honours

The class of honours is calculated on the basis of the weighted percentage of the initial results obtained by a student in the first attempt at courses that contribute to requirements for honours.
