

## Master of Clinical Psychology

### 1 Definitions

In these rules—

*practicum course* means a course containing a practical component where students gain supervised experience in a workplace setting.

### 2 Enrolment requirements

To enrol in the program, a person must—

- (a) hold an approved four year bachelor honours degree in psychology with IIA honours or equivalent; and
- (b) be eligible for registration as a provisional psychologist in Australia; and
- (c) satisfy the executive dean that the student has sufficient training and experience in the clinical psychology field and is suitably qualified for admission.

### 3 Program requirements

To complete the program, a student must complete 32 units in accordance with the MPsychClin course list.

### 4 Special rules

#### 4.1 PSYC7011

A student must enrol for PSYC7011 at the beginning of—

- (a) second year, if full-time; or
- (b) third year, if part-time.

#### 4.2 Duration

A student must get the approval of the head of school of psychology to change enrolment status.

#### 4.3 Practicum

A student who commences but does not successfully complete a practicum course may re-enrol in that course only if approved by the executive dean.

#### 4.4 Psychologist registration

A student must have provisional or general registration with the Psychology Board of Australia for the duration of enrolment in the program.

#### 4.5 Award of the Graduate Diploma in Behavioural Science

A student who withdraws from the program after completing 16 units from the MPsychClin course list may be awarded a Graduate Diploma in Behavioural Science.
