

Bachelor of Biomedical Science / Bachelor of Science

1 Definitions

In these rules—

BSc dual major means a dual major as defined in the BSc rules;

BSc extended major means an extended major as defined in the BSc rules;

BSc major means a major as defined in the BSc rules;

late year course means a course at level 3 or higher.

2 Field of study

- (1) A student must undertake the BSc part of the dual program in an approved BSc major or BSc extended major or BSc dual major.

3 Program requirements

- (1) To complete the program, a student must complete 64 units comprising—
 - (a) 32 units from part A of the BBiomedSc course list; and
 - (b) 32 units under parts A and B of the BSc course list comprising—
 - (i) 6 units from part A;
 - (ii) 14 units from part B; and
 - (iii) 12 units from part A or part B or a combination of both.
- (2) In meeting subrule (1)(b), the student must complete at least 12 units of late year courses from the BSc course list.
- (3) Unless a different intention appears in these rules, a student must comply with the program rules for both degrees.

4 Concurrent enrolment

A student must maintain concurrent enrolment in both constituent degree programs.

Note A dual degree is a single program of study leading to the award of two degrees. A student is not permitted to graduate with one degree and continue enrolment in the program.
