

Bachelor of Engineering (Honours) / Bachelor of Information Technology (BE(Hons)/BInfTech)

1 Definitions

In these rules—

BInfTech major means a prescribed combination of 16 units from the BInfTech section of the BE(Hons)/BInfTech course list;

BInfTech minor means a prescribed combination of 8 units from the BInfTech section of the BE(Hons)/BInfTech course list;

BE(Hons) core courses means those courses listed in the core courses section in the BE(Hons) section of the BE(Hons)/BInfTech course list;

BE(Hons) major means a prescribed combination of 16 units from the BE(Hons) section of the BE(Hons)/BInfTech course list;

BE(Hons) specialisation means a prescribed combination of 36 units from the BE(Hons) section of the BE(Hons)/BInfTech course list.

2 Program requirements

- (1) To complete the program, a student must complete 88 units from the BE(Hons)/BInfTech course list, comprising—
 - (a) 56 units from the BE(Hons) component, comprising—
 - (i) 8 units for BE(Hons) core courses, and
 - (ii) 36 units for a BE(Hons) specialisation other than Software Engineering, and
 - (iii) 12 units from specified BE(Hons) electives relevant to the specialisation; and
 - (b) 32 units from the BInfTech component, comprising —
 - (i) 14 units for compulsory courses (excluding CSSE1001), and
 - (ii) 16 units for either—
 - (A) a BInfTech major, or
 - (B) a BInfTech minor, and
 - (a) 6 units for Information Technology Extension Courses, and
 - (b) 2 units from Information Technology Advanced Electives; or
 - (C) no major, comprising—
 - (a) 6 units for Information Technology Extension Courses, and
 - (b) 10 units from Information Technology Advanced Electives with at least 4 units of courses at level 3 or higher; and
 - (iii) 2 units from BInfTech course list.
- (2) Unless a different intention appears in these rules, a student must comply with the program rules for both constituent degrees.
- (3) A student undertaking the Electrical Engineering specialisation in the BE(Hons) may not complete the Computer Systems minor in the BInfTech.

3 Special Rules

3.1 Courses in both course lists

- (1) Where a course is compulsory in both the BE(Hons) and BInfTech components of the dual program, it must be counted towards the BE(Hons) component of the dual program.
- (2) Where a course is compulsory in one component of the dual program but not the other, it must be counted towards the component in which it is compulsory.
- (3) Where there is a choice as to which courses count towards each component of the dual program, the highest graded courses will count towards the BE(Hons) and the balance towards the BInfTech.
